MIKE FLEETHAM is an educational consultant and author who works with schools, colleges and businesses. He has over 20 years experience as an engineer, classroom teacher, assistant headteacher and trainer. He has worked with 100s of organisations across the UK and abroad and has written 12 practical resource books for educators. His website, www.thinkingclassroom.co.uk has more than 10,000 members and is used in over 160 countries/territories providing extensive resources and inspiration for classroom teachers.

Co-author of Creating Extraordinary Teachers Continuum, 2008

provocative, practical, and disarmingly personal

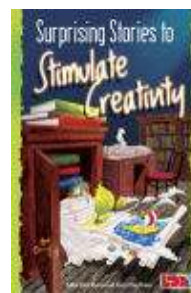

Prof. Howard Gardner

Author of Creating A Thinking Classroom LDA, 2003

a boon for the busy teacher

Prof. Robert Fisher

Author of Surprising Stories to Stimulate Creativity LDA, 2010

simply brilliant...truly inspiring

Molly Potter
